

CSHCS INFO #28 - CSHCS Life Cycle Presentation  
Mon 8/18/2014

Good afternoon! This year, at each of the Regional Meetings, we presented a poster display called "The Life Cycle of CSHCS." The display showed four major stages of CSHCS, including "The Seed is Planted," "The Tree Sprouts," "Branches Out," and "The Leaves Fall." The goal of this poster display was to present the various options, routes, benefits, and information that can be included for a client and family joining CSHCS. As it was developed, we were also able to see areas where we may be able to improve CSHCS, to ensure families receive the great benefits of our program.

As many of you requested, we are sharing this poster display with you today. We do hope you enjoyed it, and are able to use the information.

We want to especially thank Courtney Adams, Kristie Ferris, and Martha McGraw for their help and hard work on this wonderful display!
